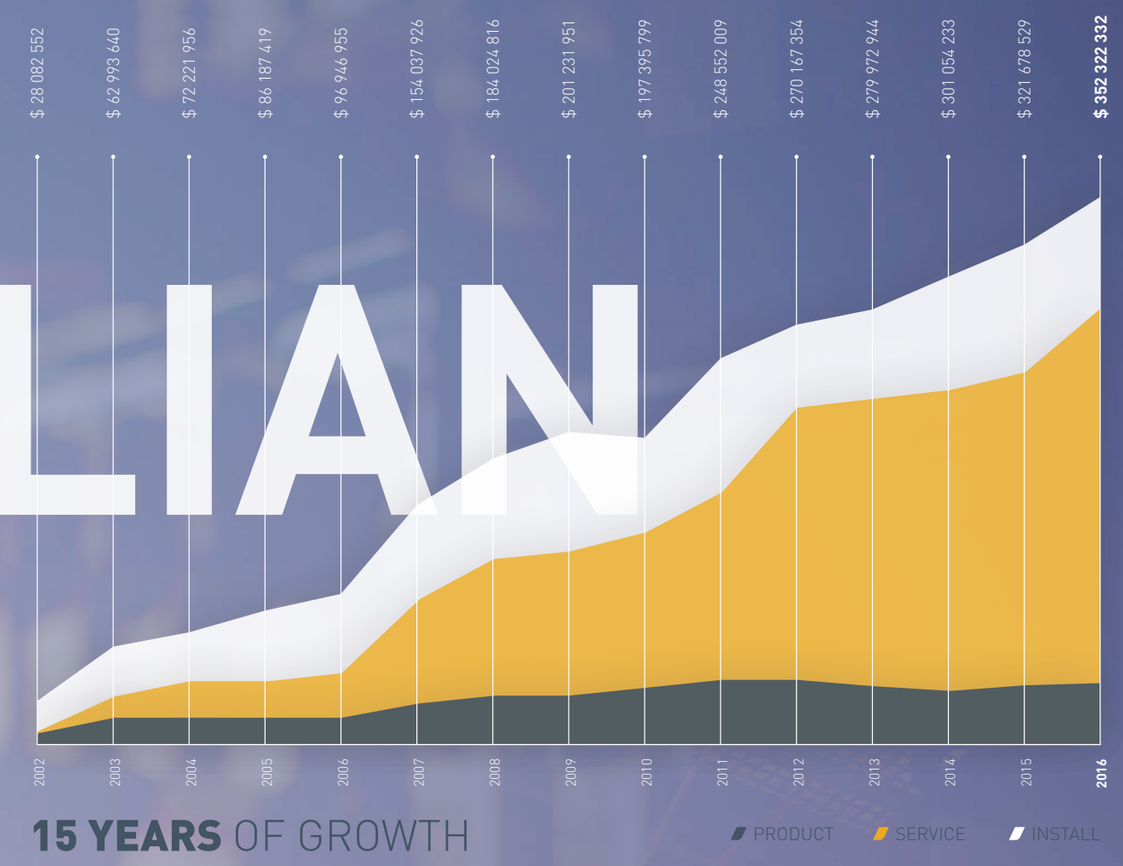
A REAL AUSTRALIAN



15 YEARS OF GROWTH

ARA ENDOWMENT FUND

Contributing to the communities in which ARA does its work is fundamental to the culture of ARA.

www.araendowmentfund.com.au

The ARA Endowment Fund is a sustainable source of charitable donations. Every contribution helps to grow the Fund's principal balance, and each year, the total interest generated by this balance is donated to a variety of registered Australian charities which are nominated by our own employees. Donating to the Fund is a simple, affordable way to support countless communities across Australia. We are now welcoming external donations, and hope that together, we can create a lasting legacy of community support.
